### **What People Are Saying...**

I really believe the weekend with Bud Bennett will be forever etched in as a turning point for many people at First Church. Lots of folks have talked about the help they received. One lady in particular talked about how her whole perspective was changed. Thank you for helping us so much.

### **Tracy Gorman, ReFocusing Pastor Washington, PA**

- Worked 13 years with Kraft Foods as a plant superintendent
- Worked 17 years with American Electric Power as a Training and Development manager
- Was a key lay leader in the growth of Grove City Church of the Nazarene for 15 years, a congregation that grew from 400 to an average attendance of over 3,200
- Began with a dream of helping churches from a layman's perspective
- Now one of the most used coaches and NCS consultants
