

Rev. Lonnie Bullock:

Name	Consulting Specialties / Location	Phone
Rev. Lonnie Bullock	NCS Executive Director (Mesa, AZ)	(480) 659-2547

Lonnie Bullock, New Church Specialties Executive Director. Lonnie has been a pastor serving as youth pastor, associate pastor and lead pastor for 28 years in Michigan and Indiana. He successfully led the last church he served in Munster, IN through the ReFocusing process two times during his 10 year tenure. The church moved toward increased health during each refocus in remarkable ways and the attendance increased from 125 – 300.

For two years he served as the Mission Development director for the Northwest Indiana District overseeing the efforts of the district in Refocusing, Restarting and planting new churches.

Lonnie joined the staff of NCS as a Senior Consultant in 2000. In December 2010 he was selected to become the executive direction of NCS after serving for several years as the Chief Operations Officer. His areas of specialties include Church Health, Strategic Planning, Assessments (church and individual), Coaching NewStarts, ReFocusing and ReStarts. He has trained hundreds of pastors and church leaders in implementing church health strategies. He also serves as the director of the training arm of NCS called New Church University.

He has personally coached over 50 pastors through the NewStart, ReFocus and ReStart process. He has extensive training and skill in doing behavioral interviewing assessments and church assessments. He oversees the assessment training events for NCS. He works with a number of judicatories/districts helping them develop strategies for implementing a church health movement.

He is a graduate of Olivet Nazarene University with a BA in Theology and a Masters Degree from Olivet in Counseling. He is also a graduate of the Church of the Nazarene's School of Large Church Management.

He and his wife Karen live in Mesa, AZ. Karen works for NCS as an administrative assistant. Lonnie and Karen have two daughters. Their oldest daughter Kristie lives in Arizona and works for NCS in the area of assessments. She is also the mother of his grandson Colin. Their youngest daughter, Kasie will be married in the summer of 2011 and will be relocating to Sun City, CA.
